### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>cultural heritage</i>
Description or summary of the proposed project	<p>Lyriqas is a multidisciplinary project which seeks to revalue and update the common cultural heritage link between the regions of Galiza, Northern Portugal and Occitania, through the medieval literature that had its height in the XII century.</p> <p>Taking the research on the medieval production as the nexus point, we aim to put into value this cultural heritage while promoting the contemporary creators in the fields of music, literature and cinema. Lyriqas aims to reflect over the link that</p>

	<p>united these three regions over literature production and explore its influence in the contemporary creation.</p> <p>Objectives:</p> <ul style="list-style-type: none"> <li>- Reconnect the cultural tradition background the 3 regions have in common and its link with the European construction.</li> <li>- Foster the exchange of artists and cultural agents between the 3 regions</li> <li>- Engage new audiences and approach to the general audience other European creations outside the mainstream.</li> <li>- Bring up to light the rich shared European cultural heritage and its influence in the creation of our societies</li> </ul> <p>In order to achieve our objectives, we have designed a mobile festival and several artistic residencies, focusing on 3 disciplines: music, cinema and literature.</p>
