Call	Creative Europe – Western Balkan’s Window Call and the Regional Cultural Cooperation (EACEA 39/2019).
------	---

### Cultural operator – who are you?

Name and country	Périscop / France
Organisation type	Venue / Organization of concerts
Scale of the organisation	Medium
PIC number	
Aims and activities of the organization (max 300 words)	Opened in 2007, Periscop is a living space aiming at creating and broadcasting innovative music. Periscop’s artistic guideline is mainly focused on jazz and improvised musics but is also wide enough to include rock, noise, hip-hop, soul as well as new kinds of experimental and improvised music. On a yearly basis, Periscop is organizing about 150 shows, as well as social and educational projects along with cultural screenings, talks, workshops and performances contributing to the project’s artistic identity. Periscop aims at being a central workplace for musicians in order to work and experiment on residency and rehearsal projects while also contributing to the growth of a general network with Lobster, its own co-working spot next to the venue. Actor of a innovative and experimental local scene, Periscop also tends to reflect a global state for innovative music by developing its reach with international projects.
Role of the organization in the project (max 300 words)	<i>Periscop has been initiating European projects for some years now. It is currently the leader of a cooperation project with 7 European cities: Jazz Connective (<a href="https://jazzconnective.eu/">https://jazzconnective.eu/</a>). It is during this project and other activities of the organization that we had the idea to implement this project. We will be the organizer and we will be more particularly in charge of the dynamization of the networks of actors and the training program for young professionals.</i>

### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	
Description or summary of the proposed project (max 300 words)	The constitution of two informal networks, one for France and neighbor countries and another for the geographical area of the Western Balkans in order to support the circulation of young creative music artists in these two parts of Europe. These tours are the pretext to constitute a long-term network with the main partners of the project and a set of secondary partners that we will integrate during the activities. The second part is a training programme aimed at a mixed group of young professionals, artists or project leaders (manager, booker...) from

	the partner's countries in order to give them the keys and support to develop their projects at an European level.
