social problems through theater and numerous types of arts.

The priorities of the project:

- Increase the capacity of cultural and creative industries to operate transnationally and internationally
- Increase transnational circulation of cultural and creative works and transnational mobility of cultural and creative players
- Enhance inter-cultural dialogue between artists, cultural operators as well as the general public.

More specific :

This Project will attempt to approach important issues and problems concerning the relationship of art/culture organizations from Balkan countries, through Theater and the Arts.

By using theater techniques and different types of Theater practices, Theater can approach social problems such as Diversity, Bullying, Racism, Human trafficking, xenophobia and many more.

The project –among others- will promote the exchange between professionals from numerous fields of the Theater and the Performative Arts.

Furthermore, will promote the mobility of Young Artists to work with the Arts & Theater organizations in order to gain knowledge and experience to develop their techniques and the expressive methods. The ultimate goal is to implement this new knowledge and experience towards Social problem-solving matters (i.e. immigration, refugee phenomenon).

Methods area based upon action theater, documentary theatre etc in order to involve and fight off bullying, racism, diversities of any kind. In the same concept events can be creative based on various matters to be presented in different spaces to challenge Diversity and Racism e.t.c.

Apart of the above the network/platform will achieve:

- Exchange good practices in the field of theater and Performative Arts and production,
- Build thematic offers within European scale
- Raise public awareness
- Work with local savoir-faire to develop by-products
- Create Artistic paths, Cross Balkan European Routes to promote heritage and connect cultures (landscape art, street art, e.t.c.).
